Dear Mrs. Reimann:

It has recently come to my attention that I can be identified in my forthcoming book as an economist currently employed by the Central Intelligence Agency. If the book has not yet been produced, I would appreciate your returning the ABOUT THE AUTHOR page, and I will add this additional information. I should mention, however, that if we do make this change, I would not want my CIA affiliation to be used as a basis for any future advertising.

If the book is already being run off, it will be all right to leave the author's page in its present form.

Sincerely,
